Welcome to the
Ortho Dermatologics
Direct-to-Patient Program
FULFILLED BY MEDVANTX PHARMACY

Prescription Delivery Solution

Your healthcare provider has prescribed you ALTRENO lotion. Ortho Dermatologics offers a simplified and convenient way to fill your prescription through MedVantx Pharmacy, a home delivery service that will fill your prescription at $115 and ship your ALTRENO lotion FREE to your door.

Three simple steps to receive your ALTRENO lotion:

**STEP 1: CALL**
Call 844-733-0011 to speak live with an informed Ortho Dermatologics Direct-to-Patient Program customer service agent.

MedVantx, Ortho Dermatologics' pharmacy partner, cannot process your order until receipt of your valid prescription. Insurance is not accepted.

**STEP 2: VERIFY**
Simply provide the following information:
- Shipping address of your choice
- A credit card to cover the $115 cost of your ALTRENO lotion prescription

(Also, if you have not called to finalize your processing request, MedVantx will call you from an 844 number to assist with the verification process.)

**STEP 3: SHIP**
Once your information is received and validated, your ALTRENO lotion prescription will be shipped to your door FREE of charge within 3 business days.

See reverse for more details on MedVantx.

If you have any questions, please contact us by phone at 844-733-0011.
By delivering prescriptions directly to your door, it helps simplify the process between receiving your prescription and receiving your actual medication.

Licensed to ship to all 50 states.

Creates a simplified direct relationship with you for a value-added pharmacy experience.

Services are available online, 365 days a year by emailing OrthoDermatologics@MedVantx.com

You may be wondering what MedVantx is and what the benefits of its service are.

MedVantx is a home-delivery pharmacy dedicated to convenience and the best service possible.

The MedVantx Advantage
